

THE PICTURE SPECIALIST FOR MEMORIAL

We believe that a memorial portrait is more than just a picture. It opens the possibility of creating a bond between generations, connecting the past with the present.

CERAMIC

Most commonly used cameo for any memorial.

CERACUT

Custom cut ceramic for greater personalization.

SLIM-ENAMELED STEEL

Thinner design recommended for ground markers.

DEDO CLASSIC

Found in cemeteries since 1893 for upright monuments.

FRAMES

Many styles of solid bronze and chrome accents to choose from for the finishing touch.

Your PSM memorial portrait is guaranteed against breakage, fading or deterioration of any kind, including vandalism. Your portrait will be replaced at no cost, with no questions asked.
